UN PORTAFOGLIO COMPLETO PER LE ESIGENZE CHIRURGICHE

Questo catalogo include solo una parte dello strumentario AESCULAP®. Nel caso non trovaste qui il modello o la misura preferiti, potete richiedere il Catalogo Generale agli agenti B.Braun Vet Care o ai nostri rivenditori.

LEGENDA

I codici contraddistinti da questo simbolo si distinguono per gli inserti in carburo di tungsteno ad elevata resistenza e lunga durata d'utilizzo:

- Le forbici mantengono un'affilatura costante (anche nella parte distale delle lame)
- I portaghi garantiscono una presa ferma, ma delicata del tessuto
- Entrambi si identificano con impugnatura dorata
